How to Apply

1. **Application.** Submit your child’s application on our website. Priority enrollment takes place January 16 – February 19, 2023. Applications received after 2/19 will be accepted if openings are still available and for waitlist placement.
2. **Submit Application Fee.** You will receive a request to pay a \$25 application fee to process your application. This fee is waived for current/previous families and families requesting financial assistance.
3. **Tour or Waitlist.** After applications have been reviewed, you will be notified if we have an opening that meets your needs. You will either be offered a spot at Zoo School or placed on the waitlist for the session you registered for. If you are offered a spot, you will be invited to schedule a tour with your family.
Priority of placement is as follows: 1) children of zoo employees, 2) previously enrolled children, 3) siblings of previously enrolled children, 4) families in need of financial assistance, 5) new families requesting full time care, 6) new families requesting part time care.
4. **Submit Deposit & Tuition Agreement.** If you are offered a spot and decide to enroll, you will be asked to submit a deposit and tuition agreement to officially reserve your child’s place for the session. Once your child is enrolled, you will be asked to complete a few more enrollment forms.
